Re: Freedom of Information Act (FOIA) Request EPA-R2-2014-000330

Dear Ms. Jouenne:

Enclosed are the electronic files you requested from the Diamond Alkali Superfund Site. Please note that our electronic file search system enables us to identify documents that may not be directly related to Celanese Ltd., but that include references to "Celanese". Those documents have also been provided to you for completeness.

The U.S. Environmental Protection Agency (EPA) will transmit a bill for the costs incurred by EPA in searching our files, reproducing documents and preparing our response to your FOIA request. You will receive the bill through FOIAonline, our online FOIA request application. Please follow the instructions for payment.

Please let me know if you have any questions at 212-637-4427.

Sincerely yours,
